we would rather et of the side of understating than over-stating their merit. As a result there is a growing public confidence in all Switzer advertising which is evidenced in our ever extending mail order dept. and by the ever increasing clientele thronging the showrooms and departments.

Anybody who rends and thinks must realise that prices for clothing and household goods will be much higher in the near future. To those who are sceptical on this point we will be pleased to show some recent notices received from manufacturers announcing increases which vary from 25 per cent. to 50 per cent, and some stating that no more supplies are possible. Display foresight is economy and visit Switzer's Sale. Thousands of gennine bargains are obtainable; everything is marked in plain figures and there are many opportunities for economy throughout the building.

LOANS BY POST.

THE IRISH PAPER MILLS CO., CLONDALKIN, ASK EVERYBODY TO

SAVE WASTE PAPER

It is not only the patriotic duty but is in the individual interests of every man, woman, and child in the country to collect every available Scrap of Paper so that the Irish Paper Mills may be kept running through this time

THE IRISH PAPER MILLS COMPANY guarantee that packs will be supplied and maximum prices fixed by the Government paid by their Contractors, Messrs, M. Duan and Co.

BANKS, PUBLIC OFFICES, and BUSINESS FIRMS having large stocks of old paper should get rid of it now, as the shortage of paper-making material is becoming very acute, and the problem is to keep Mills running

THE IRISH PAPER MILLS COMPANY are in a position to guara the destruction and repulping of ALL grades of paper, and their contractors will, if necessary, in the case of private documents, prepare the waste paper on the seller's premises and have it taken direct to the Mills and destroyed under the eye of a representative of the seller.

mum quantity of waste paper which can be taken in any one ent is one cwt. Carriage on smaller quantities would be pro-

ples, and highest prices will be quoted per return, and cash comptly on receipt of goods.
